FIG. 5

The screenshot shows a dialog box titled "work node Properties" with a close button in the top right corner. The "General" tab is selected. The dialog contains the following fields and controls:

- Name:** A text field containing "rcda1".
- Description:** An empty text field.
- Action list:** A button labeled "AL2".
- Activity performed by:** A text field containing "JSEH\cm.badmin". To the right of this field is a "Details" button.
- Enable notification of user after deadline:** An unchecked checkbox.
- User:** A text field containing "cm.badmin".
- Deadline:** A text field containing "1" followed by a "SECONDS" unit selector.

At the bottom of the dialog are three buttons: "OK", "Cancel", and "Help". A reference number "150" is located to the right of the dialog box.

FIG. 6

The screenshot shows a dialog box titled "User Exit Routine Properties" with a close button in the top right corner. The "General" tab is selected. The dialog contains the following fields and controls:

- Name:** An empty text field.
- Description:** An empty text field.
- Action list:** A button labeled "AL2".
- Activity performed by:** A text field containing "STARTER". To the right of this field is a "Details" button.
- Enable notification of user after deadline:** An unchecked checkbox.
- User:** A text field containing "cm.badmin".
- Deadline:** A text field containing "1" followed by a "SECONDS" unit selector.

At the bottom of the dialog are three buttons: "OK", "Cancel", and "Help".
